# SPACE INVADERS

Fountain Street gallery is pleased to present **SPACE INVADERS**, an international juried exhibition featuring the work of 42 artists.

**SPACE INVADERS** explores the concept and our understanding of space as it defines our world and our relationship to reality. Space, in its myriad forms, serves as a place for self-conscious reflection, calling into question our own awareness of the area through which we move and occupy, while forging new connections to the world around us.

Juried and curated by **Samuel Rowlett**, an artist and writer living in Western, MA.

January 3 - January 28, 2018

Reception: Friday, January 5, 2018, 6-8pm
